

CONCORDIA

FOODCOALITION

Mission Statement

- The Concordia Food Coalition (CFC) is concerned about the economic, ecological, and social implications of the food system at Concordia University. The CFC brings together students, faculty and staff to promote and facilitate a transition to a more sustainable food system in collaboration with organizations at Concordia and beyond.

CONCORDIA TRANSITIONS

building a food-system for students by students from farm to plate

Check out this student conference to find out how we can start building our way there today, and for a day full of student panelists, good food, social entrepreneurs, alternative economics, local change-makers, activists, great speakers and innovative ideas! #ConcordiaTransitions

MERCI!

The word "MERCI!" is rendered in a highly creative, illustrative font. Each letter is constructed from a different shaving-related item:

- M**: A safety razor head with its handle.
- E**: A shaving brush with its handle.
- R**: A shaving mug.
- C**: A shaving brush with its handle.
- I**: A shaving brush with its handle.
- !**: A shaving brush with its handle.
